

OLGA PARFINOVICH

PYTHON DEVELOPER

For me development is sort of craftsmanship, I can create incredible stuffs by using different framework, libraries and tools.

I am ready to work hard and overtime. Expirience will be the best payment for my job.

Experience

- 2023- 2024 I build:**
- web-apps with Flask, Django, SQLAchemy and Bootstrap,
 - games with Turtle,
 - GUI apps.
 - Use webscraping (BeautifulSoup, SeLenium)
